Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Small-town heroes are born and legends are made in Paul Lagan s inspirational story, *The Amazing Journey of the Kickapoo Kids: A Novel Based on a Personal Experience*. Stretching along a twisting 120-mile stream from northern Wisconsin to the Wisconsin River lies the Kickapoo Valley. The 1940s haven t been kind to Millersville and the other small towns sprinkled along the river banks. The devastating aftermath of the Great Depression and World War II still hang like a black cloud over the area. Although hard work is their inheritance, inhabitants manage to find relief in one of America s most sacred pastimes-baseball. Out of this unlikely setting evolves a group of courageous kids who are destined to challenge the record books and immortalize high school baseball history in Wisconsin. There are no divisions in high school sports in the 1940s and 1950s, so tiny Millersville is forced to compete against schools with twenty times as many students in order to qualify for the state championship. After graduation five of their players are offered pro contracts. Seen through the eyes of the author, much as as he personally lived it, *The Amazing Journey of the Kickapoo Kids* offers a fictionalized account of this courageous group of rural small-town boys quest to do the impossible. Readers will want to stand up and cheer as they learn the riveting story behind this extraordinary slice of American history that may never be repeated.
