Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

THE SPARK AND THE DRIVE

St. Martin's Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "There's nothing I enjoy more than entering a fictional world over which an author demonstrates complete mastery. That's exactly what Wayne Harrison offers his lucky readers in *The Spark and the Drive*." Richard Russo "Young men will always idolize the father substitutes who promise them a way out of the familiar. Ever volatile, such relationships fuel some of our best literature, and to this category we must now add Wayne Harrison's gorgeous and grittily poetic debut novel. Set in an auto shop in working class Connecticut at the end of the golden age of the American muscle car, *The Spark and the Drive* has all the horsepower and headlong beauty of the extraordinary machines at its center." Ann Packer "Told with equal parts grit and tenderness, *The Spark and the Drive* follows the dangers, thrills, and twists of fate that make one boy into a man and lead him to the painful discovery that love and loyalty can't always be reconciled. A piercing and stylish debut." Maggie Shipstead "Wayne Harrison knows his way around the recesses of desire as well as he knows his way under the hood of a car--that is, with masterly precision and comprehension. *The Spark and the Drive* is a throwback novel; no gimmicks or preciousness, just heart-gutting prose about men and women that veers with agility between the muscular and the poetic." Teddy Wayne "Wayne Harrison knows, like no one I've ever read before, how to describe what goes on underneath the hood of a car. But more, much more, he knows what goes underneath our skins. He knows all about our deepest desires and what we'll do to attain them. *The Spark and the Drive*..."
