Natural Paradigms, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book has three related tracks: 1) For the patient who is interested in using medicinal marijuana to increase their appetite, decrease worry and stress, decrease withdrawal from opiates and other drugs, sleep better and more. 2) For the prescribing clinician and patient there is a thorough review of the clinical and prescribing information throughout this book's body and rich Appendix. and 3) For the patient who not only may want any of these but who also wants to go deeper and see if there are any unrecognized issues that may be generating a physical problem or difficulties in their relationships with self, others and the God of their understanding. Please see Look Inside (front matter) on for more. Endorsements Barbara Harris provides an excellent resource that cuts through old myths and misinformation to give the reader her well-informed considerations for exploring the new world of medicinal marijuana use. With the increasing number of states and countries legalizing marijuana for medicinal use comes the urgent need for reliable information and guidance on the positive uses of marijuana and the dangers as well. Barbara writes from her personal and professional experience, generously sharing her great wisdom distilled from a lifetime of experience. This is a great book for anyone interested in marijuana use, not abuse. Lawrence Edwards PhD Author of The Soul's Journey I like the fact that in this book you're recommending marijuana not as just an anti-anxiety medication, but as a vehicle to help explore the underlying issues. Bruce Greyson MD Emeritus Professor of Psychiatry, University of Virginia School of Medicine As a British psychiatrist, I enjoyed reading this new book. I believe...
