VICHARA CHANDRODAYAM: SELF-INQUIRY

Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Personality is development of evolutionary process with consciousness entangled in tendencies and trivial sensate values.Man functions from personality with its innate limitations and self centered activity.Such activity is antagonistic to other persons and so any such activity produces conflict, strife, misery, sorrow.But humanity knows only that type of activity which is socially and legally sanctioned.Life means action at various levels.There cannot be any life without action and our present way with its action is producing enormous sorrow to humanity.Seeing this some escape altogether from activity and try to renounce from the world.Without understanding the full implications of such activity, renunciation inevitably leads to new bondage and problems.Life is a ground to learn the skill of living life act in a sane manner.So we have to inquire into whether there is such an action which does not bring conflict, sorrow knowing fully well life means action.Doer-ship is inherent to action that proceeds from personality and we are badly identified with the personality.Action that proceeds from the so called doer who is essentially a quintessence of all his past experiences is future oriented and unless we go into what is personality, the me which is the source of misery to humanity we will not have a clarity about an alternative action which does not bring conflict, strife, sorrow.Personality is imposition of ideas over your consciousness mainly by the society to keep you enslaved to them so that you will become a hindrance to the corrupt ways of society.Once you start doing self-inquiry you will realize for yourself the imposed false values of society over you.Just observing them without any judgement produces a radical revolution in your mind.Then you...
